

Key to Body Exterior and Main Trim Colour Combinations, from Start of Vehicle Production

The BMC colour code numbers quoted in the following text relate to the paint colour samples in the 'BMC Service Paint Scheme,' publication ref. AKD 1482.

In the case of two-tone body exterior colours the colour below the break line is quoted first.

In the case of two-tone body exterior colours where a principal colour appears above and below the central band of another colour, this is suitably indicated.
